

Title Clinical Supervisor

MISSION STATEMENT

Firm Foundations Counseling & Wellness, LLC exists to serve individuals on their journey towards emotional, psychological, relational, and spiritual wellness. We are committed to doing so through a counseling process that works to provide hope, healing, and restoration. Our vision is to create dynamic community counseling centers founded on spiritually integrated and evidenced-based practice.

With a passion for providing the community with psychological counseling and mental health prevention services, Firm Foundations seeks to serve individuals, couples, and families of all ages. The emotional well-being of every individual is at the heart of our work. We welcome all persons and are honored to have the privilege to walk alongside in their journey towards healing and wellness.

Job summary

We are looking for a clinical supervisor (LPC/S, LMFT/S, Licensed Psychologist-PsyD/PhD etc.) who is an experienced clinician but also experienced in the training and development of clinicians. We are looking for someone who is committed to excellence and advancement of mental health care.

This clinical supervisor will:

- Possess a master's degree or higher, be licensed or eligible for independent licensure in South Carolina.
- Possess training or extensive experience with evidenced based practice (i.e. CBT, TF-CBT, EFT, EMDR, etc.)
- Provide supervision and leadership development for counseling interns and other junior clinical staff (must possess or be eligible to obtain state supervisor's licensure).
- Facilitate continuing education training to clinical team.
- Maintain small caseload (≥ 10 /week).
- Ensure quality and compliant chart documentation of junior clinical staff.
- Assist executive team in administering program evaluation research and publishing findings.

Compensation

Firm Foundations offers competitive pay that is often above industry standards. Compensation packages for this position will be negotiable based on successful candidates needs and will include both base and profit determined pay. Contracts may also be negotiated to include payment for annual continuing education (CEs), partnership opportunities, loan repayment*, and tuition reimbursement for pursuing doctoral degrees*.
