

MARIST

Marist College, a highly selective independent liberal arts institution located in New York's historic Hudson River Valley, invites applications for a full-time, **tenure-track Assistant Professor** position for the graduate clinical Mental Health Counseling and undergraduate psychology programs within the School of Social and Behavioral Sciences, beginning fall semester 2016. The Master of Arts in Mental Health Counseling program is housed within the psychology department that offers a BA in Psychology, with a portion of undergraduate students seeking teaching certification. The clinical Mental Health Counseling program is classroom-based and has an interest in pursuing CACREP accreditation.

We are seeking a counselor educator who will engage our students in dynamic classroom activities and support students' independent and faculty-student collaborative research interests. The successful candidate will teach core courses in the graduate Mental Health Counseling program and Research Methods and other courses in the undergraduate psychology program.

Required Qualifications:

- A doctorate in Counselor Education from a CACREP-accredited program
- License-eligible or licensed in NY State as a Mental Health Counselor
- Strong identification and affiliation with the counseling profession and its organizations
- A commitment to diversity and multicultural counseling competence

Additional Preferred Qualifications:

- Experience in teaching at the college or graduate level
- An established record of scholarly research
- Familiarity with CACREP accreditation
- Interest in leadership as a core faculty member in the Mental Health Counseling program

Required Applicant Documents: Resume, Cover Letter, References
