

The Professional Counseling Program at Texas State University is currently seeking to fill three tenure-track faculty positions (CMHC #2016-16, MFT #2016-17, School Counseling #2016-18) at either the Associate or Assistant level. These positions will involve teaching, research, service and program support in a CACREP approved, masters-level Professional Counseling Program in Central Texas. Specific responsibilities will include teaching courses leading to certification/licensure in professional and/or school counseling, an active, productive program of research, student advisement, and service to the program, department, university, and profession. The successful candidates may teach courses on both the main university campus in San Marcos and at Texas State University-Round Rock campus.

Qualifications – CMHC Position (Assistant Rank)

Required:

The successful candidates for this position will have an earned doctorate in counselor education from a CACREP program by employment date of fall 2016; a record of or the potential for research and publication at the national or international levels; and be licensed or eligible for licensure as a Professional Counselor (LPC) in the state of Texas.

Preferred:

Preferences include; experience teaching core courses in a CACREP accredited program (such as Research, Career Counseling, and Diagnosis and Assessment), experience providing clinical supervision, and evidence of scholarship or potential for scholarship at the national or international level.

Qualifications – Marriage/Family/Couple Position (Assistant Rank)

Required:

The successful candidates for this position will have an earned doctorate in counselor education or related field by employment date of fall 2016; a record of or the potential for research and publication at the national or international levels; and be licensed or eligible for licensure, as a Professional Counselor (LPC or LMFT) in the state of Texas.

Preferred:

Preferences include: Graduate from a CACREP accredited program, experience teaching MCFC core courses in a CACREP accredited program (such as MCFC Theory and MCFC Assessment), experience providing clinical supervision, and evidence of scholarship or potential for scholarship at the national or international level.

Qualifications – School Counseling Position (Assistant or Associate Rank)

Required:

The successful candidates for this position will have an earned doctorate in counselor education by employment date of fall 2016; a record of or the potential for research and publication at the national or international level (NOTE: for appointment at the Associate Professor rank, the applicant must document a sustained record of research and publication at the national and/or international levels; meet the requirements for the rank as established by the department);

university teaching experience at the graduate level. For appointment at the Associate Professor rank, the applicant must document a sustained record of research and publication at the national and/or international level commensurate with department policy.

Preferred:

Preferences include: Graduate from a CACREP accredited program, experience working as a school counselor, demonstrated leadership in a graduate counseling program, university and professional service activities (as evidenced by service reflected on vita), experience supervising practicum/internship, experience teaching courses in School Counseling, Human Development, and Career Counseling, certified as a school counselor in the state of Texas, and clinical experience with diverse populations.

Application Procedures

Review of applications will begin on November 15, 2015 and continue until the positions are filled. To apply, send a letter of interest that specifically addresses the qualifications and responsibilities noted in this posting and includes the specific posting number for the position you are seeking, a completed university application form (<http://facultyrecords.provost.txstate.edu/faculty-employment/application.html>), curriculum vita, names and contact information of five references, and no more than three reprints of recent publications to:

Texas State University

Texas State University is a doctoral-granting university located in the burgeoning Austin-San Antonio corridor, the largest campus in The Texas State University System, and among the largest in the state. Texas State's 36,000 students choose from 109 undergraduate and 88 master's and 8 doctoral programs offered by eight colleges (Applied Arts, The Emmett and Miriam McCoy College of Business Administration, Education, Fine Arts and Communication, Health Professions, Liberal Arts, Science, and the University College). With a diverse campus community including over 50% of the student body from ethnic minorities, Texas State is one of the top 20 producers of Hispanic baccalaureate graduates in the nation. Texas State is also the lead institution of a multi-institution teaching center, the Round Rock Higher Education Center, offering several programs in the greater north Austin area. Additional information about Texas State and its nationally recognized academic programs is available at <http://www.txstate.edu>.

Personnel Policies:

Faculty are eligible for life, disability, health, and dental insurance programs. A variety of retirement plans are available depending on eligibility. Participation in a retirement plan is mandatory. The State contributes toward the health insurance programs and all retirement plans.
