of Professional Psychology  
Counselor Education and Supervision Program

## **Associate/Full Professor of Counselor Education, Washington, DC Campus**

### **Position Summary:**

We are searching for an experienced faculty member at the rank of Associate or Full Professor to join our Counselor Education Program at our Washington, DC campus. Our programs are designed to meet CACREP standards to prepare graduates to be licensed professional counselors and Counselor Educators. Effective start date is August 15, 2016. Salary is competitive.

### **Principle Responsibilities:**

- Teaching in MA and Ph.D. Counseling Programs
- Doctoral dissertation and MA student advisement
- Service to the department, the school, and the DC and Tri-State community
- Participate in faculty development and recruitment
- Engage in research, publication, and other scholarly activities

### **Qualifications-Required**

- Doctorate in Counselor Education and record of excellence in teaching and scholarship
- Licensed or license-eligible as an LPC in DC, MD, or VA.
- Commitment to issues of social justice and diversity and counselor identity
- Active leadership/involvement in the American Counseling Association and its divisions

### **Qualifications - Preferred**

- Doctoral degree from a CACREP -accredited program
- Experience with dissertations as Chair and Committee member
- Experience/interest in blended, and alternative teaching delivery
- Experience in CACREP self-study and in curriculum development
