

ATTENTION:

The Counselor Education Department at the University of Wisconsin-Whitewater invites applicants for a full-time tenure-track faculty position for the coming academic year beginning August 24, 2016.

JOB DETAILS:

The successful applicant will join a group of committed and vibrant faculty who deliver a leading-edge curriculum to a diverse student body. A focus on regional engagement, through work in our state-of-the-art lab and expanded social justice oriented partnerships, ensures exceptional learning and serving for our students. Rigorous academic learning, relevant experiential learning and deep self-reflective learning are grounded in professional standards and contemporary research and occur within a mutually-engaging environment that embraces diversity, positive regard and authenticity. Ability to work with Spanish speaking clients and staff is a plus.

QUALIFICATIONS:

An earned doctorate in counselor education OR full-time faculty member in a counselor education program for a minimum of one full academic year before July 1, 2013. Consideration will be given to persons who are ABD. Counseling experience strongly preferred. Preference will be given to persons with background and interest in AODA work. Candidates should have the potential to develop or maintain: a clear research agenda, excellence in instruction, and the capacity to attract external funding. Commitment to social justice is imperative.

RESPONSIBILITIES:

Responsibilities include teaching core courses in counselor education, as well as courses in the Clinical Mental Health Counseling emphasis and the AODA specialty; providing service to the university, including participating in department leadership (e.g. department chair, program coordinator, clinical coordinator), advising of students; providing community service; supervision of practicum students and interns; implementing program requirements; and participating in research and grant writing activities. Ability to infuse technology into instruction, e.g., web-based course offerings is preferred. Openness to work with diverse populations is essential.

DEPARTMENT INFORMATION:

The Counselor Education Department has seven full-time faculty members and a master's level counseling lab manager. The master's program includes a 60-credit program for Clinical Mental Health Counseling and a 51-credit program for school counseling. The counseling program has been accredited by the Council for the Accreditation of Counseling and other Related Educational Programs (CACREP) since 2000. The school counseling program is also accredited by the Wisconsin Department of Public Instruction (DPI).
