Position Summary and Qualifications

Mission or Goal of Unit	<p>The Department of Counselor Education at Virginia Commonwealth University is committed to excellence in the initial preparation and continuing development of professionals in the counseling field. The Department provides graduate students with research-based professional studies and clinical experiences necessary for effective counseling, advocacy, and leadership in diverse geographic and socio-economic settings. Specifically, the faculty prepares counselors with the specialized knowledge and skills required for placement in elementary, middle, and high schools, as well as higher education institutions, in the Commonwealth of Virginia and throughout the nation. Currently, more than 100 graduate students are enrolled in the Department's program at the master's and doctoral levels.</p> <p>Our nationally-recognized faculty explore issues related to social justice, equity, legal and ethical issues in counseling, career counseling, counselor education, leadership development, professional identity development, and women's development. Faculty members are active members of and contributors to professional organizations such as ACA, AARC, ACC, ACES, AERA, MECD, SACES, VSCA, and VCA.</p>
Chief purpose of this position in support of above mission or goal	<p>Candidates represent a professional identity consistent with those who provide professional counseling and educate counselors-in-training. Understanding the needs of both clients and students in urban settings and collaborating with community professionals will support the goals of the department and mission of the VCU School of Education.</p>
Position Responsibilities	<p>1. Teaching</p> <ul style="list-style-type: none"> ● Teach, supervise, and advise in the counselor education program, specifically with the college counseling and student affairs master's degree students ● Teach, supervise, and advise in the counselor education and supervision doctoral program, including chairing and serving on dissertation committees <p>2. Research</p> <ul style="list-style-type: none"> ● Conduct research, publish peer-reviewed scholarly articles, and present at national, regional, and local professional conferences
